

include/date.h

```
graph TD; A[include/date.h] --> B[showable.h]; A --> C[string];
```

A diagram illustrating file dependencies. At the top is a dark gray box labeled 'include/date.h'. Two blue arrows point downwards from its bottom edge to two boxes below. The left box is white with a black border and labeled 'showable.h'. The right box is light gray with a black border and labeled 'string'.

showable.h

string
