

include/person.h

```
graph TD; A[include/person.h] --> B[string]; A --> C[showable.h];
```

A diagram illustrating a C++ header file inclusion. At the top, a dark gray box labeled 'include/person.h' has two blue arrows pointing downwards to two separate boxes. The left box is light gray and labeled 'string'. The right box is white and labeled 'showable.h'.

string

showable.h
